

ROAD TRANSPORT OPERATORS

PRESS RELEASE

PUBLIC TRANSPORT FARES REVIEW FOR 2026

Pursuant to the Administrative Instrument on Public Transport Fares, and following extensive consultations between the Ministry of Transport and commercial road transport operators held over the period 8th to 22nd September, 2026, the Leadership of the Ghana Private Road Transport Union (GPRTU) and the Ghana Road Transport Coordinating Council (GRTCC), acting for and on behalf of all commercial road transport operators, hereby announce an upward adjustment of public transport fares by **eight percent (8%)**.

In arriving at this decision, the parties have taken due account of the changes in the ex-pump prices of petroleum products, spare parts, general vehicle maintenance, and other operational inputs, weighed against the plight of drivers, commuters and the travelling public. The revised fares take effect from **Saturday, 26th September, 2026**, and shall apply to the following categories of commercial road transport services:

- 1) **SHARED TAXIS**
- 2) **INTRA CITY (TRO-TRO)**
- 3) **INTERCITY (LONG DISTANCE)**
- 4) **HAULAGE**

Leadership wishes to express our sincere appreciation to the Hon. Minister for Transport and all stakeholders for the constructive manner in which the negotiations were conducted, and for Government's intervention on the price of diesel, which has materially moderated the extent of this adjustment.

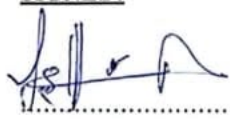

The eight percent (8%) increment shall be calculated on the approved transport fares which took effect on 24th May, 2025. The detailed schedule of the revised fares is attached to this Communiqué and serves as the reference point for operators, commuters and the general public.

All commercial transport operators are kindly requested to comply strictly with the approved fares and to display the schedule conspicuously at the loading terminals and stations. Transport Operators are further reminded that the charging of fares in excess of the approved rates shall attract the appropriate sanctions from the Unions.

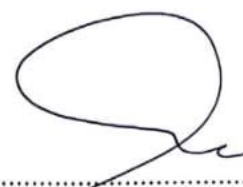

Leadership takes this opportunity to reassure all commercial transport operators, commuters and the general public of its commitment to continue engaging Government

and all relevant stakeholders in the collective interest of the road transport industry and the motoring public.
